The tour includes a **basic sightseeing tour of Zakopane** and then it continues to the best of the regional locations: **Chochołów** – a fascinating traditional highlander village, now kept as a living museum of folk art and Zakopane-style architecture. There will be occasion enough here

to purchase great local hand-made souvenirs.

The second must to see is **Jaszczurówka**, the most famous Zakopane-style timber chapel built by the legend of the local style, Stanisław Witkiewicz. The tour includes a ride on the funicular railway to **Gubałówka Hill** to enjoy a view of the majestic mountainous landscape.
